

# 6TH ANNUAL LOVE HARD 5K FUN RUN

June 2026

## IN-KIND DONATIONS

Did you know that 11.5% of people over the age of 50 have lost a child? That two million children experience sibling death, annually. That parent and child bereavement is one of society's more common phenomena with the least amount of support?

The Love Hard community works to provide direct short and long-term care to families walking through the unexpected loss of a child early in life. We offer these families financial aid in the midst of grief and long-term care through counseling and retreats.

In June 2026, we will host our annual Love Hard 5k Fun Run across various major US cities. This event is our way of celebrating community while raising funds as we seek to come alongside grieving families. Last year, we had 281 runners plus over 250 donors and this year we expect even more.

Will you please consider a donation to this year's 5k? In-kind donations can include items such as hotel stays, airline tickets, theme park tickets, etc., or race-pack items like sunscreen, energy drinks, granola bars, goodie bags, or other individual items. Your investment in the families we serve is the first step in providing them with a much-needed support system to walk through the grieving process.

Thank you for your consideration,

**Lorelei Thorne, Director**
