ANNUAL UNBRIDLED GOLF CLASSIC

August 27, 2026

IN-KIND DONATIONS

Did you know that around 7.2% of the adult population in Colorado are veterans, as of 2023? That around 6.2% of Colorado veterans live in poverty? That Colorado Springs is ranked as one of the top places for veterans to live and receive wrap-around support?

Unbridled Productions' President and Partner, Kevin Miller, is one of the 332,000 veterans in Colorado. His six years in service to the U.S. Navy not only helped him become who he is today, but left him with a heart to care for the countless others who volunteered to protect their country. Because of this, Unbridled Productions has partnered with UnbridledACTS to giveback to local Colorado veterans.

On August 27, 2026, we will host our 4th Annual Unbridled Golf Classic at Red Hawk Ridge. This event is our way of celebrating those who have served our country. Last year, we raised $35,000 for the VOA of Colorado's Veteran Services Center and this year we hope to raise even more.

Will you please consider a donation to our golf tournament? In-kind donations can include items for our raffle or giveaways, like luxury items, services or experiences, swag, etc. Your investment in Colorado veterans and their families is the first step in providing them much-needed support.

Thank you for your consideration,

The Unbridled Golf Classic Team
